## **W.M. KLORMAN CONSTRUCTION TO DESIGN/BUILD PARKING STRUCTURE FOR MERCURY INSURANCE CO. IN BREA**

BREA, CA. – Dec. 30, 2006 --- W.M. Klorman Construction has been tapped to be the design/build contractor of a 458-car, 154,000-square-foot parking structure for Mercury Insurance Co.

Woodland Hills-based Klorman Construction will serve as the general contractor on the \$7 million, three-level, post-tensioned concrete parking structure, which was designed by International Parking Design of Irvine.

Construction of the Mercury Insurance Parking Structure started in August and completion is expected to take place in April. The project will feature one pre-fabricated, self-contained, attendant booth, two fully automated entrance and exit arm-gates, one hydraulic passenger elevator and two stairwells.

“This project plays to our forte not only with regards to our expertise in parking structures, but also in the nature of the project and having to accommodate the expected displaced employees parking spaces during construction,” said **Bill Klorman**, president of Woodland Hills-based W.M. **Klorman Construction**.

**About W.M. Klorman Construction Corp.**

W.M. Klorman Construction Corporation is a Los Angeles-based design/build general contractor and structural concrete contracting company. Founded in 1980, W.M. Klorman has earned a reputation for building complex parking structures, multi-level towers and high-end architectural concrete projects. Construction services include design/build, construction management, structural concrete, consulting, value engineering, repair and project management.

W.K. Klorman Construction Corp. has more than 150 projects to its credit, including numerous developments and renovation/repair projects in diverse building types and geographic regions. Its projects include mixed-use retail centers, hotels, office, institutional and medical buildings. The company maintains offices in Los Angeles, San Diego and San Francisco.
