

Project Name:
VALLEY PLAZA

Location:
Laurel Canyon Blvd. between Erwin and Archwood streets, North Hollywood , CA

Owner:
The Arba Group, Los Angeles , CA

Architects:
Parkitects, Irvine , CA

Description of Project:
This 313,600-square-foot, 995-car, 6-level parking structure at the Valley Plaza center alleviates the parking shortage that limited renovation and expansion at the oldest shopping center in the San Fernando Valley. The design/build structure has two elevators and provides minimal obstruction to allow for clear vision and security.
